All essays should be submitted single-spaced and in a standard 12 point font, with 1 inch margins on all sides. **Essays 1-3 should each be 1-2 pages in length. Essay 4 should be 3-6 pages in length. Essay 5, if applicable to you, should be 1-2 pages in length.***

Essay 1:

Please describe your education and career plans, as well as factors that have influenced you in reaching these decisions. As it is applicable, discuss people, activities, or events that have been important in shaping you (e.g. family, academic coursework, travel, organizations, service work, obstacles you have overcome).

Essay 2:

Community service is one of the pillars of Telluride House. Members are expected to participate actively in this pillar and reflect critically on service. As such, please describe the successes, failures, and limitations of your prior volunteer experiences. Bearing these experiences in mind, you should then propose a possible service project for the House to engage in. Your response should include details on implementation, and anticipated community impact.

Essay 3:

Discuss the positive and negative aspects of communal life in a small self-governing community such as Telluride House.

Essay 4:

Present a specific topic or issue in a field of interest in a way that makes it accessible to those with no experience in or previous knowledge of it. Explain the reason for your interest in the topic and how it might engage others. You may address political, philosophical, scientific, social, literary or other questions.

Essay 5 (Only for people who participated in TASS or TASP):

Please evaluate your summer program. Please be completely frank and discuss any aspect of the program whatsoever. You are encouraged to address both the program as a whole and your own participation in it.

 - Each letter of recommendation should be printed on official letterhead and enclosed in an envelope signed at the seal, OR:
